## EXPERIENCE

Harry Ransom Center, Senior Student Associate, October 2017-present

- Responsible for full audio preservation workflow with minimal supervision
- Digitized hundreds of recordings from multiple legacy audio formats
- Edited preservation copies for access using a variety of audio mastering software
- Enhanced metadata and description for sound recordings catalog

Mathnasium of Westlake, Instructor, October 2017-present

- Provided math tutoring and homework help for elementary and middle school students
- Developed customer service and educational skills

Vassar College Library, Technical Services Assistant, May 2016-May 2017

- Cataloged all incoming government documents in Sierra
- Located a high volume of materials from Vassar's backlog of lost or never-acquisitioned government documents
- Used WorldCat to catalog newly found legacy documents, including the full run of the U.S. Geology Survey Circular

## PROJECTS

Butler School of Music, *Chant Hypertexts* Project, Spring 2020

- Used Caspio and Digital Mappa to create a companion website for Dr. Luisa Nardini's book *Chant Hypertexts*
- Acted as database administrator making the repository of chants fully searchable
- Populated Digital Mappa with digitized manuscript images and Latin texts

Benson Latin American Collection, Processing Project, Fall 2019

- Fully processed the Benson's JoAnn and Rupert Reyes Collection in collaboration with four other students
- Our team created the arrangement and finding aid for the collection and performed reboxing, refolding, and weeding

## SKILLS

Java, Python, LISP, Haskell, SQL, HTML, XML, LaTeX, WaveLab, iZotope RX, Sierra, WorldCat
